We are quickly coming to the end of our first term of school! Report cards will be coming home on Friday, October 14 and the following week is your students’ (and their teachers’) well deserved fall break! Be looking for an e-mail invitation from your teachers next week, to sign up electronically for Parent/Teacher

AMERICAN PREPARATORY ACADEMY

Conferences. These are mandatory for all parents and are scheduled after the break on Thursday and Friday, October 27th and 28th. The teachers are looking forward with enthusiasm to discussing your student's progress with you.

As a reminder, be sure you go online to the ALMA grading program to be certain your student has all their assignments completed and turned in. The last days to turn in missing work for this term are:

This Friday, October 7—final day for group work (Reading, Math, Spelling) to be turned in
Next Monday, October 10—final day for homeroom work to be turned in

Also, to our new parents, please remember that Reading University (APA's independent reading program) receives a grade on the report card. The books your student has read at home this term should be written down on the Reading University log (kept in the gray RU folder in their docket), signed by you, and turned in to the teacher. If you cannot find the RU log, be sure you ask the teacher for a new copy. If you aren't sure how many books your student is required to read each term, please check with the teacher. If you need help accessing the RU book list, please look in the September newsletters for step-by-step instructions.

If you have any questions, contact Mrs. Laura Leavitt. We have had an excellent start to our 2016-2017 school year!

SMILES DENTAL PROGRAM

We are so excited to announce that SMILES, an in-school dental program, will be coming to West Valley!!!! On November 30th Utah licensed dentists will be at our school to see your student and provide comprehensive dental care. The dentist will perform an exam, cleaning, x-rays, fluoride, sealants as needed, and fillings as needed.

What do you need to do to have your student participate? On Monday, Sept 26, "Big Smiles" permission slips were sent home attached to each student's learning plan. Please fill out the form, sign it, and return it to school ASAP. Having your child seen by the in-school dentist is both easy and convenient.

Together, we can keep our children healthy, in school, and learning. Questions? Please email Debra Davies, ddavies@apamail.org

School Lunch - Please be sure your student has lunch on Monday! They can bring a home lunch or can order a school lunch online @ utahsmartlunches.com. Orders must be placed by midnight of the day before. If you have questions, please e-mail Mrs. Kristine Stevens—kstevens@apamail.org. APA is looking to train a district-wide sub for the School Lunch Program. When subbing, the time frame each day would be 8:00 - 12:30. All four campuses in the Salt Lake County have the lunch program. If you are interested in being trained for this part-time position, please contact Debra Davies ddavies@apamail.org.

Fresh Fruits and Vegetables – HEIRLOOM CHERRY TOMATOES & COLORED CAULIFLOWER

Heirloom cherry tomatoes are petite round cherry tomatoes that come in an array of flavors and assortment of colors, from pale yellow and sun-gold orange to bright red, Cherokee purple and marbled green. They are Juicy, low-acidic with high sugar content. Dating at least from the 1800s, heirloom tomatoes are prized for their rich, tomato flavor and varied shapes and sizes. These tomatoes are a good source of potassium, vitamin A, vitamin C, some calcium and iron.

Traditional 'white' cauliflower may soon be taking a back seat as scientists have developed amazing variants of this popular veggie where white colors have been changed to orange, purple and green. Some even claim that the colored heads are healthier for you. The orange cauliflower is believed to have higher than normal levels of beta carotene, a form of vitamin A that encourages healthy skin. The purple color comes from anthocyanin, which may help prevent heart disease by slowing blood clotting. Others maintain the nutritional value to be equal and the only difference being the addition of vibrant colors to meals. It was originally thought that these neat colors came about by genetic engineering, however, research shows this not to be the case. Rather these colors came about through decades of selective plant breeding. These procedures were done outside of the USA in parts of Europe. However, the different colors have been available in the USA for several years.

Jr. High News

APA's first ever cross-country team has rocked the races once again. Last Thursday we had our first regional meet against the six charter schools in the North League. Our team did an amazing job. We have 3 students that are going to the state meet Thursday, October 6. Congratulations to Andrea Garcia, 8th grade, Natasha Franco 8th grade and Jose Muro-Pardo 6th grade. We are so excited to see how they do tomorrow at the Cottonwood Softball complex. Boys start at 5:30 and the girls will begin once they are finished. Good luck and GO FIGHT WIN!!!

AMBASSADORS

On Monday, our Ambassador Council students were honored to attend the Multicultural Youth Leadership Summit at the Salt Place in downtown Salt Lake City. Our students heard messages from a selection of speakers, including Governor Gary Herbert and Lieutenant Governor Spencer Cox. Mr. Cox had just finished the St. George marathon over the weekend and rushed home to be able to speak at the summit to 1,500 of Utah's 7-9th graders. He inspired our students to make good choices so they may be a positive influence on others, saying, "Hold

someone's hand and help lift them." This summit was in support of Governor Herbert's "66 by 2020" initiative, a state goal that 66 percent of all working-age Utahns hold a post-secondary degree or certificate by 2020.

"If you want a good job, get a good education." --Governor Herbert

Students were encouraged to "tell their story" through personal reflection and poetry. They were encouraged to embrace their collectively multicultural heritage, to increase their capacity to lead. Also, two of our WV1 students won a raffle to experience new virtual reality technology! Overall, it was a really positive and enriching summit for our Ambassador Councils, giving them leadership ideas and inspiring them to plan for the future. We're grateful for the opportunity we had to attend the Multicultural Youth Leadership Summit this year through our GEAR UP grant!

College Week - October 10th - 14th

Next week we will be having College Week. There will be activities and lessons about the local colleges during lunch and 4th period throughout the week. On Friday, October 14th grades 7 - 9 will be taking college tours of the following locations:

7th Grade - University of Utah

8th Grade - Utah Valley University

9th Grade - Brigham Young University

Permission forms for the tours will be sent home. Please make sure these are signed and turned in as soon as possible.

Parents of 6th - 11th Graders—USU Parent Summit

Our GEAR UP grant partner, Utah State University, is providing WV1 & WV2 parents and guardians of 6th - 11th grade students a WONDERFUL opportunity for an overnight campus visit! The event occurs on November 18th - 19th on the USU campus in Logan, Utah. Workshops will address many areas about your student's future college process, including: admissions, financial aid, ACT information, and a USU Physics demo show! You will stay for FREE at the University Inn. You will also be provided complementary meals and famous Aggie Ice Cream! You only need to provide your own transportation to Logan or form a carpool with other parents.

If interested, please send an email to Amberley Motz at amotz@apamail.org. Include: 1) your name, 2) student names and grades, and 3) the campus your student(s) attend. Once we know of your interest, we will share information with you on how to register. *This event is for adults only.*

Parents of 6th - 12th Grade Boys

Empowering Your Tomorrow is a Saturday math, science, and technology-focused career conference for 6th - 12th grade boys. Conference participants may choose from 20+ exciting, hands-on, interactive workshops. They receive a cool T-shirt, delicious catered deli lunch, hear from an exciting keynote speaker, and have an amazing day of fun touring the Utah Valley University campus. Your son may choose three workshops that interest them most (e.g., engineering, graphic arts, forensic science, etc.) Come explore educational and career opportunities in nontraditional, high-earning STEM careers, and speak with industry experts!

AMERICAN PREPARATORY ACADEMY

The event takes place on **Saturday, November 12, 2016 8:30 AM - 3:30 PM**. Students will receive sign-up packet this week in their 4th period class. Each student must have two permission forms signed by parents. The event total is \$25, but APA will cover \$15—meaning you only need to pay **\$10 to join us!** Submit payment to the front office and give the secretaries the necessary paperwork—we accept credit cards. The bus will leave from the WV2 campus at 8:30 AM, sharp. Please return at 3:30 PM at WV2 to retrieve you students. Any questions email: [Amberley Motz at amotz@apamail.org](mailto:Amberley_Motz@apamail.org). Parent volunteers are needed! **Registration closes on Friday, October 14, 2016.**
