## February Builder’s Theme – “Using my words to encourage others”-

How do you feel when someone speaks kind words to you? Stop and think about it for a minute. When we hear courteous and encouraging words we feel comforted, loved, and cared for. That’s because there is something powerful that happens in each of our hearts when we say or hear kind things. Courteous and encouraging words are actually healthy for our bodies.

What we say doesn’t have to be long or eloquent or profound though it can be all of these things. Just a simple expression about something you appreciate or admire will lift someone up. Here are few phrases that we could say more frequently:

**Everything will be okay.**

**You’re AWESOME!**

*You can do it*

**I FORGIVE YOU.**

*hello!*

**here’s a high five!**

**Thank you**

## **Congratulations to our Reading University Winners**

These are just a few of the things in our Lost and Found. For smaller treasures, come to the front office and describe it. At the end of the term, we’ll donate everything to a worthy cause.

## **Coats and More**

Also, if you have some used coats that you no longer need and would like to donate them please bring them into the front office. Thank you!!

## **FROM PARENT/STUDENT HANDBOOK**

### **Holidays at American Prep**

Just a reminder to parents that we do not use academic time to celebrate holidays and we ask that students help us ensure holidays do not distract from the instructional day. Below is the wording from the parent/student handbook. (pages 20-21).

**“Valentine’s Day**—We focus on the Builder theme of “caring and sharing” during the month of February. We encourage students to show they care by doing good deeds for others all during the month. Often, the school participates in a school-wide service project during February. PARENTS DO NOT NEED TO PROVIDE VALENTINES or TREATS, but if students wish to exchange valentine cards or treats they may within the following guidelines:

- \* All of his/her classmates must be included in the giving. The teacher will provide a class list prior to the designated day.
- \*Any treats given must be able to be placed in a backpack and taken home (i.e. no doughnuts, cupcakes, cookies – only wrapped treats like a piece of candy.)
- \*Students will be instructed to place any cards or treats they receive in their backpack to be taken home and enjoyed there.”

## **2017-2018 APA-WV1 ENROLLMENT**

Parents—we wanted to let you know the timeline for the registration and enrollment process for *next* school year for our campus. There have been some good questions arising and we hope to answer those. Here are a few points to be aware of:

### **FOR CURRENTLY ENROLLED FAMILIES:**

- Students that are currently attending APA do NOT need to register for the enrollment lotteries each year. We assume you are going to stay unless you notify us otherwise. Your enrollment packets for the 2017-18 school year will be distributed at our “Celebration of Excellence Meetings” held in the spring. Dates for these will be in the newsletter.

### **If you wish to enroll a sibling (brother or sister) at APA next year--**

including new kindergarteners--you can submit that information now using this

link: <https://goo.gl/forms/VmD5smIEydu3W8073>

- Please submit this information before January 20 as the first regular lottery for kindergarten will be held between January 20 and February 7. We want to be sure we have our siblings on our lists before we start filling available seats.

### **If you wish to apply for a transfer to a different APA campus, you can**

submit that information now using this link: <https://goo.gl/forms/jwtdipiAQqvRDqYv1>

- You may apply for a transfer at any time, but if you are considering a transfer to a Draper campus, you will want to do it in advance of the lottery schedules listed below. Campuses will hold lotteries only when spaces in grades become available. For example...at WV-1, we don't have any open spots for next year at this time, so likely won't be involved in any lotteries until the kindergarten lottery.

### **For potential new families:**

- If you have friends or family that wish to enroll at an American Prep school, they *should* go online to [americanprep.org](http://americanprep.org) and register now--particularly if they are interested in attending a Draper campus. In anticipation of the Draper 3 expansion, there are an exciting number of potential new seats available for students at the Draper campuses. There are a series of lotteries being held this year as listed below:
  - ✓ **Open Enrollment Cycle 3** We will be accepting applications January 24-February 6, Lottery will be held February 7. (Draper)
  - ✓ **Open Enrollment Cycle 4** We will continue to collect applications and conduct lotteries on an as needed basis. To ensure your highest possibility of acceptance, please submit your application as soon as possible. Please contact the school office if you have further questions about enrollment.

**If you have any question, please contact Mrs. Hernandez [mhernandez@apamail.org](mailto:mhernandez@apamail.org)**
