March Builder Theme: I am a Builder When I am Willing to Try and When I Believe in my Ability to Succeed

We all know them. People who are always trying new things—not concerned about whether they will be “good at it” right from the start, not worried that it might be hard—people who jump right in with enthusiasm, willing to try and with an underlying belief that they *can be* successful if they work hard and keep trying. Of course, this is what we want for our children too! They are faced with new challenges daily (that’s what learning is all

about!) and their willingness to try and their belief that they have the ability to succeed is key to their progress! In your families, MODEL THIS for your children. Say the words out loud. "I am going to try this! I believe I can succeed if I work hard at it and don't give up!" You will be a powerful example for your children—and you will be amazed at how your own confidence will change!

Staff Appreciation Week-THANK YOU!

Parents—thank you so much for our wonderful staff appreciation week! Your donations and participation made it such a memorable week for all of us! We hope to share some photo highlights with you very soon! THANK YOU! (And be sure you submit your volunteer hours and donations at the link at the end of the newsletter!)

Yearbooks are ON SALE! Pre-sale price \$25 until March 31

Our 2022 yearbooks are on sale. They are \$25 until March 31 and will be \$30 after that date. We received the final proof from the printer this week and it is so FANTASTIC! We are so pleased and think you will love it also! A yearbook is a wonderful keepsake for your student and your family to remember the 2021-2022 school year. There will be a limited number of yearbooks available after March 31—so order yours now! Orders are done online. If you need assistance, please contact the front office staff.
