April Builder Theme:

I am a Builder When I Use Kind and Courteous Words

Kind and courteous words are a gift—a gift to the receiver of the words and a gift to the person giving them. Kind and courteous words are like the lubricant of social interactions, and training ourselves to make them a part of our daily conversations will make expressions of encouragement, gratitude and courtesy a natural part of the way we talk to others. When we model this for our children by speaking to them respectfully and with kindness--so powerful! We will be having a school wide challenge to increase our kind and courteous words—a similar challenge at home might be fun too! Please enjoy this month’s “chew-time” video from the Character Development team on using kind and courteous words. <https://vimeo.com/672600026>

Reenrollment: Have you completed it on Skyward?

All parents who attended a Celebration of Excellence meeting have their re-enrollment option open on their Skyward account. Please get that completed if your student is returning next year. Contact Ms. Gamez mgamez@apamail.org if you need assistance.

Parent Teacher Conferences—Next Week—Sign up for a time!

Parent/teacher conferences are happening the week we are back from Spring Break. This spring conference is one required for all students. There are conference times available on Thursday evening and on Friday day (no school attendance for students on Friday.) Please sign up for an appointment time. Links for signing up will come from the homeroom teachers. If you have not received the link, please email your homeroom teacher.

Parent Surveys are sent! Be one of the first to complete yours!

We received word that the parent survey links were sent to your emails last weekend! Thank you in advance for completing these—we are hoping to break our 96.4% participation record from last year! It will take ALL OF YOU to accomplish that goal!
