March Builder Theme:

I am a Builder when I believe in my ability to succeed and am willing to try.

There is almost nothing that can keep us from success when we have an underlying belief that we truly can succeed and we are willing to try—and try again and again. That willingness to try is a builder attribute that will open the doors to a life that is full of possibility, adventure and new experiences. It is normal to feel nervous or even a little fearful when we are trying something that we’ve never done before—or tackling a challenge that is difficult—but being willing to try gets us through that! I am a Builder when I believe in my ability to succeed and am willing to try! Check out the video from the Character Development team on this month’s theme! <https://vimeo.com/906470969/c3ff202dfb>

2024-2025 Urgent Enrollment Need Across the District – Can you Spread the Word?

Hello American Prep families! We have a special request to make of all our parents and staff. This year is the last year we will receive the federal funding that we have received since COVID. This means that we will be faced with cutting programs or staff positions UNLESS we can add students to our schools. We prefer to add students!

Urgent Enrollment Need continued...

But to do this, we need your help! Over 90% of our new students hear about our school through friends or family members. This means that YOU are our BEST AMBASSADORS! We have opened new classes at our schools for next year and need to increase enrollment by 300 students district-wide. We currently have about 5,000 students and we need 5,300 in order to keep our programs in place. Today we sent home a flyer with your child. Please take a picture of it and send it to as many people as you can. The flyer is also attached to today's newsletter. Campuses will be holding evening open houses after spring break. The flyer has a QR code that lists the Open House dates, times and addresses.

Fingerprinting Done-Ready to Volunteer as a Chaperone! Just a reminder of the mandatory fingerprinting process required by the state of Utah for chaperones and other volunteers working with students (this could be at school events, as chaperones on field trips, during after school clubs, or other time spent in a supervisory capacity with students.) For example, if you hope to volunteer as a chaperone for April field trips, you need to make an appointment to get this done using this link: [SIGN UP HERE!](#) Fingerprinting is being done at the West Valley 2 campus and at the district offices in Draper.
