February's Builder's Theme: "I am a Builder when I am using my words to encourage others" -

What do you say to a friend to lift their spirits or let them know that you value their friendship? Compliments can go a long way to letting someone know that you care, but there are even more powerful benefits to saying nice things to someone.

The Power of Saying Nice Things: According to research, the social reward of having something nice said to you, or about you, could enhance your motor skills and improve performance. So, your compliments can help someone learn a new skill or improve an old one. In fact, the scientists found that the same area of the brain is activated whether a person is rewarded with cash or a compliment. Talk really is cheap, and the nicest gift you may be able to give to someone is a few positive words. Mark Twain once said, "I can live for two months on a good compliment." These little gems really can sustain a person.

What to Say to Someone

Here are a few ready-made compliments you can use to say something nice to someone, no matter what the occasion. Chances are there are a few you can say to yourself, too.

- | | |
|--|----------------------------|
| o You are the most perfect you there is. | You are enough. |
| o You look great today. | You have the best smile. |
| o You just light up the room. | You are always so helpful. |
| o I love the way you bring out the best in people. | You inspire me. |
| o You just made my day. | |

Snow Day Make-Up Day & Calendar Revision: Heavy snow and dangerous road conditions forced the cancellation of school for American Prep on Wednesday, February 6th. We hope your students enjoyed the day off and that everyone was safe. As a result of the snow day closure, we have revised our yearly calendar to include the following make-up days.

Thursday, March 7th 12:15 dismissal for PTC & Friday, March 8th 12:15 dismissal for PTC

Elementary Parent/Teacher Conferences March 7th & March 8th

Please schedule a meeting time with Elementary teachers.

District Science Fair:

A job well done to our participants who presented at the Charter School District Science Fair on Friday, February 8th. Congratulations to **Hefisipa Tauteoli** of the 8th grade who will go on to the University of Utah Science and Engineering Fair (USEF) which is held March 12th-14th at the Rice-Eccles Stadium on the U of U campus. And congratulations to Josue Ayaviri, 6th Grade, who received special recognition for his science fair project. Well done students!

“Celebrating Excellence”

WV1 Annual Mandatory Enrollment Meeting

Pull out your calendar, phone, planner, sticky notes--whatever your preferred method is for organizing your life--and please write down the date and times for our “Celebration of Excellence” mandatory annual enrollment Parent Meeting.

Thursday, February 28, 2019 at 5:30 pm

Friday, March 1, 2019 at 8:15 am or

Friday, March 1, 2019 at 2:30 pm

We look forward to meeting with all of you at this annual event! This is an opportunity to give our stakeholders--you, our amazing APA parents--a report on the academic year, discuss pertinent school topics and to distribute the registration packets necessary to complete the re-enrollment process for next year.

Our veteran parents already know this—but may we stress for the benefit of our newer parents--that this is one of our **mandatory** meetings during the year. To most easily accommodate your schedules, we will

be holding the meeting at 3 different times. You only need to attend one. Please plan to have at least one parent in attendance for the full meeting. Please be on time. Meetings will start promptly at the time listed and will last for one hour.

Families that do not attend an enrollment meeting will be dropped from enrollment at American Prep.

We look forward to seeing you and having this re-enrollment step complete. We are excited for this opportunity to celebrate the excellence of American Prep and our West Valley 1 campus!

Lost & Found Treasures

Missing a nice warm coat or jacket? Hats or gloves or boots or shoes? Or maybe, your child is missing a pair of glasses or jewelry and other interesting items. These are just a few of the things in our Lost and Found. For smaller treasures, come to the front office and describe it. At the end of the term, we'll donate everything to a worthy cause.

AMBASSADORS

5th/6th Grade Celebrate Good Times

On Thursday, February 28th we invite all 5th/6th Grade students to join us for a celebration! At this event we will teach students how to be a respectful guest, how to use their voice, how to set a table, and polite ways to serve and dine with others.

Parents! Volunteers are needed and welcome! We need volunteers to help team leaders to help students rotate between stations, and assist with setup and cleanup. You are going to love to be a part of the activities we have planned. If you are available to help for any amount of time, please contact Hailey Stevens at hstevens@apamail.org or call the Jr. High Office.

7th and 9th Grade Capitol Trip

The week back the break, 7th and 9th grade students will have the opportunity to visit the state capitol on Wednesday, February 27th! We will be observing committees as well as seeing floor time in the Senate and the House. It is a wonderful opportunity for students to see first-hand how our legislature operates.

Our Wonderful HOPE week in APA- students were able to talk about Increasing and expressing gratitude, thinking positive about themselves and others, spreading hope by using encouraging words, acknowledging mistakes, making amends, and trying to do a little better and be a little kinder each day, and how we can spread hope by facing obstacles with determination and positivity. The challenge was to do three acts of kindness!

Secondary Parent/Teacher Conferences

Secondary conferences are open house style. Parents may come at any time. Teachers will be available in the MP Room.
